

Dear John *

We thought we'd give
you this as appreciation
for all that you've done.

It was hard when we
first decided to sell
and everything seemed

so blurry, but you really
explained things to us

from the start and
helped us a great deal.

You gave us confidence
when we bought our
home during the time

of our sale and helped
us with a lot of things
like getting us the
deposit from our sale to
use on our purchase,
getting access for us to
store our things and
getting permission for us
to look at councils
records. After all this, you
were still very reasonable
with your fees and you
did it all too easy.
Definitely will tell our
friends and rels about
you. Thanks heaps
Cheers ADAM & AMI
