To Whom It May Concern:

Re: John Papadopoulos  
Solicitor JP & Associates Miranda,

I have known Mr. Papadopoulos now for 6 years.

He has helped me with the sale and purchase of property during this time, most recently the sale of this property. Both transactions can be confusing and stressful, but with Mr. Papadopoulos' help this is minimized thus giving me reassurance about what I was doing.

In my opinion Mr. Papadopoulos is able to provide invaluable assistance because of a number of reasons. He;

- 1) Is always readily available either by phone or email and acts upon instructions quickly and efficiently
- 2) Has vast experience in these matters and plans well in advance what needs to be done
- 3) Is thorough in all his correspondence using multiple modalities of communication thus making sure all issues are addressed quickly and without confusion
- 4) Communicates well with real estate agents and other solicitors

Yours truly, [REDACTED]
