

Dear John,

* Thank you for helping me to urgently exchange the contract before going overseas. I will never forget how quickly you acted for me and helped me after I was made to cancel the contract because of the other law firm I used. I am very, very glad I found you.

Your dedication, intelligence, patience, thoroughness and enthusiasm have deeply impressed me, which made me feel that you are very professional, responsible and efficient.

* Thank you for getting me the extension that I needed and making sure everything was ready for me to purchase the property when I returned. I feel secure to have left the job with you.

* Thank you for being considerate and fair with your fees. I will definitely refer more friends to you.

* I am very happy with the property that I bought and I can't thank you enough.

Can't thank you enough!

Thanks John, Thank you, Thank you very much. Wish you all the best!

Sincerely,

Emily Y [redacted] W [redacted]
