Hi John,

Just replying in respect of your email requesting feedback.

I extend my gratitude to JP & Associates who recently helped me with my legal matters. As a first home buyer I found there were many confusing aspects to consider & JP & Associates were fantastic in answering my questions. They took a very proactive approach and constantly updated me on important issues throughout the legal process. Friendly, approachable and overall a very satisfying experience, it's easy for me to say that I would recommend the services of JP & Associates to all others.

Regards,
John A. [REDACTED]
