

Dear John,

Thank you for all your help with our recent purchase. You made the process much easier & less stressful than it would have been without you.

*This comes with  
warm and sincere  
gratitude.*

We could not recommend you any higher & will be telling everyone we know how great you have been. You will definitely be our solicitor of choice for all future dealings.

Thank you for going above & beyond to help us buy our first home.

From Lauren & Chris.
